- Clients and manufacturers
- Projects must be completed by December 31, 2015
- Products must be prototyped or in production
- Concepts must have been developed or presented for the first time in 2015

Judging criteria

Each project is evaluated on its own merits according to the following criteria:

Aesthetics Is the design contemporary, visually and intellectually stimulating? Does it provoke curiosity, have the capacity to uplift spirits or simply delight?

Function How well does it serve its intended use? Does it effectively resolve problems?

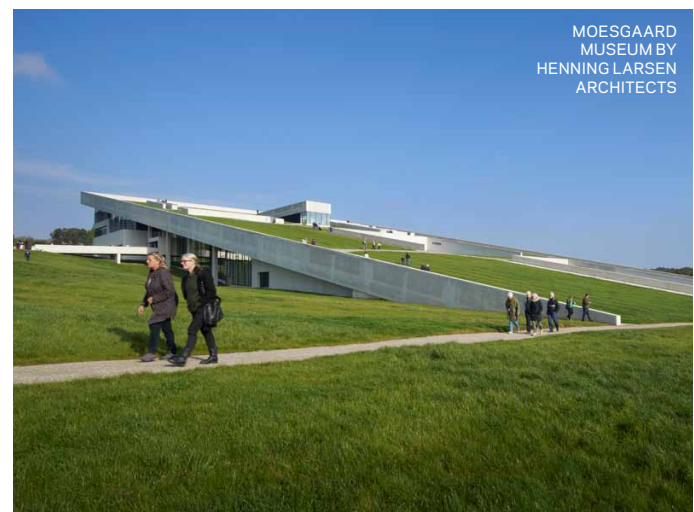

Creativity Does it incorporate a unique approach, use a new medium or materials? Is it technologically innovative, forward-looking?

Social and Environmental Responsibility Does it make respectful use of materials and resources? Does it possess a long life span? Does it contain recycled materials and/or can it be recycled? Does it provide a social benefit?

General terms & conditions

All information and requested materials must be provided or the submission will be disqualified without notice or return of payment. Submissions become the property of AZURE. No refunds will be issued under any circumstances.

Works are excluded from the competition if their presentation would infringe a right. The entrant authorizes AZURE Publishing Inc. to publish the submission in the print edition of AZURE Magazine, on azuremagazine.com, on awards.azuremagazine.com, and any websites affiliated with the AZ Awards competition. The submission may be reproduced, in whole or in part, for editorial and promotional purposes.
